Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is an adventure into the land of genius. The journey begins in fantasy but moves through the real life stories of geniuses in the fields of philosophy, art, music, poetry, literature and humanitarianism. The message of the adventure is that all people can be successful in an important human area and a genius level of success may even be possible. It is also emphasized that success, and even genius, can be realized in many areas outside of the areas that we generally associate with genius, like teaching, social work, relationships and parenting. Written originally as an enhanced e-book, there are 37 audio and video enhancements. These enhancements include experiences that help the reader to become more familiar with some of the geniuses discussed. Readers of print books can merely insert the address provided in the text into a tablet, smartphone or computer and enjoy the enhancement. Another option is to buy the quote; "Click list," (\$2.99), load it into your Internet device and click the appropriate address when...
